DECALOGUE OF PROPOSALS

- 1 Close the unsafe and inhuman crossing of Biutz.
- 2 Open the crossing of the Tarajal II, including a rest area.
- 3 Delimit security operations.
- 4 Create an action protocol for the issuing of goods.
- 5 Set the maximum weight of the package to 20 kilogrammes.
- 6 Provide public restrooms, drinking water and shaded areas.
- 7 Enable a commercial customs control between Ceuta and Morocco.
- 8 Consider the carriers as workers.
- 9 Inspect the industrial units of the Tarajal business state.
- 10 Improve the infrastructure of the obsolete Tarajal border.
