

THE ROUTE OF SOLIDARITY - #7 MEETING IN PULA - 21/11-27/11/2018

REPORT AND EVALUATION

DAY 1. – DAY 5.

The meeting started with dividing the participants into groups by country. The participants, after introduction of themselves and the organization, started to work on the main issue regarding the situations in their countries. The “issues” will be later used as a “stories” for creating the content of web doc.

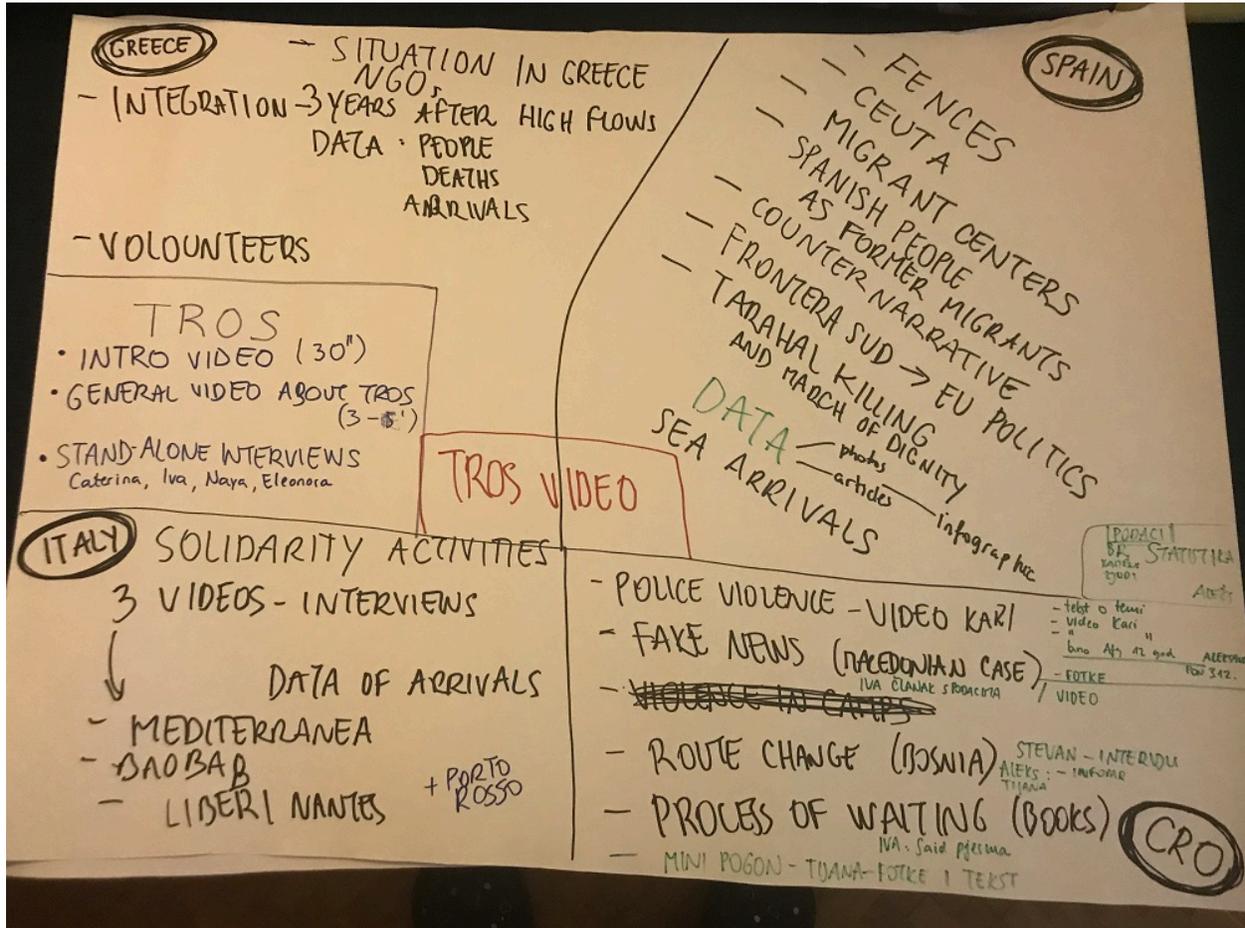

The participants were told that the main aim or goal of Pula meeting was the production of media package scripts for the Web doc.

The audiovisual material to each team was assigned, and the groups have started to work.

Each group made a decision on the number of media packages (stories – content) that can be produced. Also, finding and collecting the data for web doc regarding some issues, and make the word doc of it for later infographics.

The teams have presented their stories and what they focused on:

The picture above is a “story map” that connects every script (as well as complementary media) in a common narrative for the web doc.
